2. By Reference b. the amount of [REDACTED] was made available for a contract with [REDACTED] for a design study for an advanced state-of-the-art stereo comparator. During negotiations, conducted by the undersigned, it was developed that the Contractor did not intend to cover the area of auto-correlation. When this was brought to the attention of the Technical Monitor, Mr. [REDACTED] it was decided that the contract was unacceptable without this provision. The negotiator obtained a revised proposal incorporating auto-correlation at a total negotiated price of [REDACTED]. An amended requisition for an additional [REDACTED] will be required before the contract can be awarded.
